UMCA Saturdays: Grand Opening

On Saturday, October 21, 2023, we had our grand opening of "UMCA Saturdays" at Bethany Baptist Church (Brooklyn, NY). School-age children with special needs engaged in sensory-focused creative arts activities while their families had a "family chat" with Occupational Therapist, Jennifer Clavin. UMCA meets every second Saturday of the month (10am-12pm) at Bethany Baptist Church, 460 Marcus Garvey, Blvd.

Uniquely Me Creative Arts (UMCA)

MISSION

UMCA's mission is to improve sensory processing disorder for special needs children through sensory-focused creative arts activities while their families engage in family chats led by experts in the field.

UMCA envisions a world where every special needs child finds their unique creative voice and live an inclusive life while their families share a journey of love and empowerment.
